
Corporate Sustainability Policy
v2021-1
—11 November 2021 —

Introduction

Namyong Terminal Public Company Limited and its subsidiaries (“the Company”) determined to grow with responsibility at every steps of our business operations with the aim of developing sustainability from the inside out by creating values of 3 aspects, namely, economy, society and environment under the good corporate governance with concrete guidelines and procedures that are integrated into the organization's strategic plan.

Policy and Treatment

1. Work efficiency improvement by implementing information technology and applying innovative ideas with the enhancement of relationship with important stakeholders
2. Development of new business lines in order to expand the main and related businesses both domestically and internationally
3. Balance of business operation in economic, social and environmental aspects under the good corporate governance
4. Strategic planning for economic growth by utilizing resources efficiently along with reducing environmental effect

Conclusion

Implementation of Corporate Sustainability Policy

This Corporate Sustainability policy is effective from 11 November 2021 onwards until the Board of Directors approves a new Corporate Sustainability policy.
